

Congregation Or Chadash

A warm and welcoming community where all can experience God

Spring 2018

Shalom Families of New Little Pishers,

I'd like to take this opportunity to invite you and your child(ren) to participate in our Little Pishers' "I'm Jewish Everyday" Program. This tot program is designed for children ages 3* through 5 years old. The group meets every Sunday for classes, field trips, and playtime.

Cindy Weintraub, who has been with Or Chadash since its establishment in 1995, will continue to teach this class. With Cindy's guidance, the class will explore Judaism in everyday situations and in holiday observances. The lessons for this class are based on two books: "What's Jewish about Butterflies?" written by Maxine Segal Handelman, with co-author Deborah L. Schein, and "Jewish Every Day" also written by Maxine Segal Handelman.

Enclosed please find a registration form for Little Pishers. Registration forms and fees for this class are due when your child begins attending.

The staff and I are looking forward to working with you and your family in the coming years. If you have any questions, please call me at 900-7030.

B'virkat Shalom,

Rina Liebeskind
